

to the date and the reason for separation, if applicable. The reason for separation must be limited to one of the following terms: retired, resigned, or separated. Other terms or variations of these terms (e.g., retired—disability) may not be used. If additional information is desired, the requester must submit the written consent of the employee, and an accounting of the disclosure must be kept.

(6) *Computer matching purposes.* Records from a Postal Service system of records may be disclosed to another agency for the purpose of conducting a computer matching program or other matching activity as defined in paragraphs (c) and (d) of § 262.5, but only after a determination by the Data Integrity Board that the procedural requirements of the Privacy Act, the guidelines issued by the Office of Management and Budget, and these regulations as may be applicable are met. These requirements include:

(i) *Routine use.* Disclosure is made only when permitted as a routine use of the system of records. The USPS Records Officer determines the applicability of a particular routine use and the necessity for adoption of a new routine use.

(ii) *Notice.* Publication of new or revised matching programs in the FEDERAL REGISTER and advance notice to Congress and the Office of Management and Budget must be made pursuant to paragraph (f) of § 266.5.

(iii) *Computer matching agreement.* The participants in a computer matching program must enter into a written agreement specifying the terms under which the matching program is to be conducted (see § 266.10). The Records Officer may require that other matching activities be conducted in accordance with a written agreement.

(iv) *Data Integrity Board approval.* No record from a Postal Service system of records may be disclosed for use in a computer matching program unless the matching agreement has received approval by the Postal Service Data Integrity Board (see § 266.10). Other matching activities may, at the discretion of the Records Officer, be submitted for Board approval.

(c) *Correction Disclosure.* Any person or other agency to which a personal

record has been or is to be disclosed shall be informed of any corrections or notations of dispute relating thereto affecting the accuracy, timeliness or relevance of that personal record.

(d) *Recording of Disclosure.* (1) An accurate accounting of each disclosure will be kept in all instances except those in which disclosure is made to the subject of the record, or to Postal Service employees in the performance of their duties or is required by the Freedom of Information Act (5 U.S.C. 552).

(2) The accounting will be maintained for at least five (5) years or the life of the record, whichever is longer.

(3) The accounting will be made available to the individual named in the record upon inquiry, except for disclosures made pursuant to provision paragraph (b)(2)(viii) of this section relating to law enforcement activities.

§ 266.5 Notification.

(a) *Notification of Systems.* The following procedures permit individuals to determine the types of personal records systems maintained by the Postal Service.

(1) Upon written request, the Postal Service will notify any individual whether a specific system named by him contains a record pertaining to him. See § 266.6 for suggested form of request.

(2) The Postal Service shall publish annually in the FEDERAL REGISTER a notice of existence and character of all personal systems of records. This notice will contain the following information:

(i) Name and location of the system,
(ii) Nature and purposes of the system,

(iii) Categories of individuals on whom personal information is maintained and categories of personal information generally maintained in the system,

(iv) Confidentiality requirements and the extent to which access controls apply to such information,

(v) Postal Service policies and standards regarding the safeguarding and disclosure of information, information

storage, duration of retention of information, and elimination of such information from the system,

(vi) Routine uses made by the Postal Service of the personal information contained in the system, including the categories of users and the purpose of the use,

(vii) Title and official address of the custodian,

(viii) Procedures by which an individual can be informed if a system contains personal information pertaining to him, gain access to such information, and contest the accuracy, completeness, timeliness, relevance and necessity for retention of the information.

(ix) Categories of sources of such personal information,

(x) System status—either developmental or operational.

(b) *Notification of Disclosure.* The Postal Service shall make reasonable efforts to serve notice on an individual before any personal information on such individual is made available to any person under compulsory legal process when such process becomes a matter of public record.

(c) *Notification of Amendment.* (See § 266.7 (b)(3) relating to amendment of records upon request.)

(d) *Notification of New Use.* Any newly intended use of personal information maintained by the Postal Service will be published in the FEDERAL REGISTER thirty (30) days before such use becomes operational. Public views may then be submitted to the Records Office.

(e) *Notification of Exemptions.* The Postal Service will publish within the FEDERAL REGISTER its intent to exempt any system of records and shall specify the nature and purpose of that system.

(f) *Notification of computer matching program.* The Postal Service publishes in the FEDERAL REGISTER and forwards to Congress and the Office of Management and Budget advance notice of its intent to establish, substantially revise, or renew a matching program, unless such notice is published by another participant agency. In those instances in which the Postal Service is the “recipient” agency, as defined in the Act, but another participant agency sponsors and derives the principal benefit

from the matching program, the other agency is expected to publish the notice. The notice must be sent to Congress and OMB 40 days, and published at least thirty (30) days, prior to (1) initiation of any matching activity under a new or substantially revised program, or (2) expiration of the existing matching agreement in the case of a renewal of a continuing program.

§ 266.6 Procedures for requesting inspection, copying, or amendment of records.

The purpose of this section is to provide procedures by which an individual may have access and request amendment to personal information within a Privacy Act System of Records.

(a) *Submission of Requests*—(1) *Manner of submission.* Inquiries regarding the contents of records systems or access or amendment to personal information should be submitted in writing to the custodian of the official record, if known, or to the Freedom of Information/Privacy Acts Officer, U.S. Postal Service, 475 L’Enfant Plaza SW., Washington, DC 20260–5243, telephone (202) 268–2608. Inquiries should be clearly marked, “Privacy Act Request”. Any inquiry concerning a specific system of records should provide the Postal Service with the information contained under “Notification” for that system as published in the FEDERAL REGISTER. If the information supplied is insufficient to locate or identify the record, the requester will be notified promptly and, if possible, informed of additional information required. If the requester is not a Postal Service employee, he should designate the post office at which he wishes to review or obtain copies of records. Amendment requests contest the relevance, accuracy, timeliness or completeness of the record and will include a statement of the amendment requested.

(2) *Third party inquiries.* Anyone desiring to review or copy records pertaining to another person must have the written consent of that person.
